

Dear friend Willie Stevens,

Why stay in the dark
The Pigman killed Hall and
Mrs Mills I was employed by her
as a farm hand at that time.
The Knife she used killing pigs-
she used for the murder.

Write to the "Nowy Swiat" 24
Union Sq - New York a Polish paper

And I will send you more
particulars through this paper.

I am a Polish decent, I don't
want to come further with this
story - because they would not believe
me a Polish farm hand "

P.S. Let the Polish paper announce "farm hand"
write to us about the Hall murder
